

Reach the unreached

We're making Jesus known in the hardest and darkest places of the world, and our international workers are doing that through through the following strategies:

Church Development

Establish, grow, and strengthen reproducing faith communities among those with little or no access to the message of Jesus.

Marketplace

Engage people with your vocational skills as ambassadors of Christ in cross-cultural contexts and receive care, community, and coaching from Alliance teams.

Relief & Development

Participate in God's mission of holistic transformation, proclaim and demonstrate the Gospel as we walk with the poor and vulnerable, and address short-term crises and long-term needs.
